**L**ocated at the crossroads of many of the Northwest's greatest attractions, Lakewood Motor Inn is the ideal destination for fun and adventure. You can visit Mount Rainier National Park, located directly east, or the Olympic National Park to the west. Both offer invigorating hiking trails for all levels, rushing streams and wilderness picnic spots. For the water enthusiasts, South Puget Sound, only minutes away, offers fishing, sailing, yachting and water sports of all types.

At a little slower pace, located only a mile away, guests can stroll through the spectacular Lakewood Gardens, a pristine botanical garden open daily for tours. The world famous Point Defiance Park and Zoo is also close by and teems with festivals, outdoor concerts and salmon lakes throughout the summer. One of Tacoma's newest attractions can be found downtown. The Washington State History Museum features colorful, interactive exhibits. The lifestyle and culture of the state's first inhabitants, exploration and settlement of the region and milestone events that have shaped this region can be enjoyed. Also located downtown, the Tacoma Dome offers shows, sporting events and concerts to entertain even the most discerning of visitors.

Take Exit #125 from Interstate 5 and turn west onto Bridgeport, traveling 1.8 miles to Gravelly Lake Drive. Turn left onto Gravelly Lake Drive and immediately turn right onto Motor Avenue. The Motor Inn is on your right.
