Grand Knight's Message

Dear Brother Knights, Wives and Families:

We have a busy October and I hope to see you at some of the functions taking place. A first degree ceremony will be at our second general meeting, everyone should try to make it. I know when I went through the ceremony, the room was packed. I was very surprised and impressed with the support I felt from all the men who were there. From that first time, being involved with the Knights, I have been inspired to try to be as involved in the Knights as I could. With this in mind, I want to remind everyone that October is the one month out of the year we try to recruit as many new Knights as we can. On the 14th of October, I am asking everyone to wear their vests, or if they don't have a vest, to wear their pins. I think that the more visible we are, the better chance someone will come up to you and ask about the Knights. Keep in mind that a growing membership is a healthy one. The Knights of Columbus is growing across the world, while other clubs and organizations are getting smaller.

Ray Witt has run into a little problem. His water tank broke and damaged everything. The insurance company has taken care of everything. But I think we should keep Ray in our prayers, that he gets back to a happy routine in his life. If you have any questions, I have Ray's providers phone number. You can call me at 586 3230.

I would like to hear from everyone on how they feel about a Super Bowl Party in the Hall on February 3rd.

Vivat Jesus

Knight of the Month – Terry Holt

T has been a Knight for only a few months, but he has already made an impact on the Council. He attends every meeting and helps at most of our events. He and his wife, Shirley are also very involved in the Parish. They both sing in the Choir and can be found helping wherever they are needed. T is also active in Boy Scouts and our Parish's new Cub Scout Pack. They have two children, Marty and Leanne, and four grandchildren, Megan, Mallory, Tory, and Macey. They transferred to Holy Spirit Parish in the fall of 2000 from Christ the King in Richland. Their loss and our gain. We are proud to name T as our Knight for the month of October.

Family of the Month- Ted and Erica Hohl

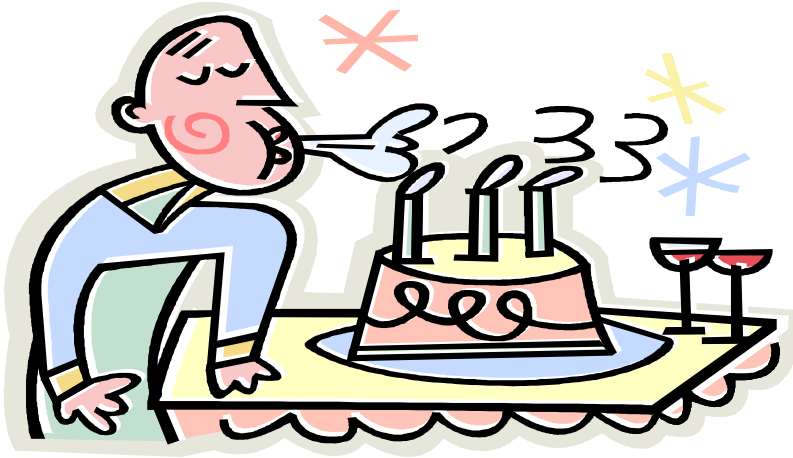

Ted joined the Knights in November 2005 and took his 2nd and 3rd degree in November 2006. He has helped in the Ice cream booth, at pancake breakfasts, and shovel snow off the roof of the church. He has been married to his lovely wife Erica for close to 19 years. They have three great kids who attend St. Joseph's School. TJ is in 8th grade, an altar server, and has earned the rank of Life Scout in the Boy Scouts. David is in 6th grade, also an altar server and is working toward the rank of First Class in Boy Scouts. Bridget, a 4th grader, is anxiously awaiting her altar server training this month. Ted works as a Chemical Engineer for Columbia Energy & Environmental Services and Erica works part time at Tri-Cities Prep where she teaches Geometry.

Ted and Erica have been active in various ministries within the parish. You can see Erica's handiwork with the publication of the Voice of the Spirit Newsletter, and Ted has recently been helping upgrade the church's internet access and networking of the parish's computers. Ted is very involved with the Cub Scout and Boy Scouts, as well. It is a pleasure to name the Hohl family as Family of the Month.

OCTOBER — SO, YOU'RE THINKING OF INVESTING

Some facts to consider before you make your investment:

1. Make sure your investment is placed beyond the reach of your creditors and those of your beneficiaries – a judgment proof investment.
2. Make sure that the value of your investment at death will not be subject to probate costs, legal fees and usual delays of court proceedings – a probate proof investment.
3. Make sure that your investment guarantees that principle and interest will always be available in the amounts and in the installments called for and that the investment will never go sour regardless of downtrends in the economy – a depression proof investment.
4. Make sure that you investment guarantees that you can always borrow 95-100% of the value as stipulated in your investment without delay or requirement of co-signers.

5. Make sure that, as your investment appreciates each year, the gain will not be subject to federal income tax – a favorable tax investment.
6. Make sure your investment contains a clause which guarantees that proceeds payable upon your death will be delivered entirely free of income tax liability for your beneficiary.
7. Make sure that your investment contains a clause which guarantees that your investment program will stay intact and continue to grow even though you are unable to continue to work and earn as a result of total and permanent disability – a guaranteed investment.

If you are interested in an investment that contains all of the above features, and more, call me today for an appointment. I want to hear from you.
